# 2024 SPELLERS FAMILY CAMP

Families unite in a fun and inclusive camp setting to experience a dynamic blend of friendship, expression, and extraordinary activities.

## FAQ

### Will there be any other people at camp besides the Spellers Family Camp group?

- Yes, there will be other groups on the camp property, such as choir groups, school groups, corporate groups, outdoor survival groups, etc., as well as Idyllwild Pines Camp & Conference Center staff. We will have reserved spaces for our group activities, and other groups will have their own areas reserved. Idyllwild Pines Camp & Conference Center goes a step beyond by educating their staff and informing other groups about Autism and our group, in an effort to create an inclusive, safe, more understanding, and friendly camp environment for all.

### Do you accept any funding sources?

- Families have had great success receiving funding through California Regional Centers Self Determination. We are not a vendor of the California Regional Center, however we are vendored with Self Determination funding agencies.
- Self Determination typically covers the cost of the Regional Center client (2024 cost: \$2300 + \$116 for meals + variable housing rate for the camper) but other family member costs typically have to be paid out of pocket (2024 cost: \$116/person for meals).

### What will there be for siblings (and other family members) to do at camp?

- Our mission is whole family inclusion, so EVERYONE can be seen, heard, and experience the joys of camp! We create space for all group members to connect and participate in their own way. So take a turn at bat in Boomerball, race down the Hill Slide, regulate your body in our sensory space, make s'mores, join a group hike, sing fun songs, interact with a campfire story, play games, and more!
